In this lecture, Dr. Reza Shah-Kazemi demonstrates that the universal dimensions of Islam can only be fully appreciated through its spirituality. It is from Islam’s spiritual message that this universal vision arises. Through posing a series of fundamental questions about the religion of Islam, and answering them by means of key Qur’anic verses, together with sayings of the Holy Prophet, this presentation illustrates the extent to which an all-embracing vision of compassionate universality is inherent to the spiritual essence of Islam.
